

Looking for something different?

Need a day to remember?

Try a Flying Experience for your next Corporate Event or Product Launch.

For as little as £65.00 per head we can provide a great day with lunch for your most welcome guests. Relax in the balcony enjoying a coffee whilst being briefed by professional pilots for your flights. Watch as your colleagues take to the air, taking control of a 2 or 4 seat light aircraft.

*For groups of 10 - 200 we will provide your clients with the very best corporate event*

Each person will receive:- 20 minutes flight in a light aircraft with a dedicated instructor, during the flight they will be able to take the control themselves. A certificate of flight signed by the flying instructor. A visit to the control tower and hangars.
